

RULES AND REGULATIONS

PRAYAG'25

FUN ZONE

General Rules (For All Areas)

- Respect coordinators, equipment, and other players at all times.
- Food & drinks are not allowed near gaming machines.
- No rough play, pushing, or disturbing others.
- Handle all controllers, headsets, and accessories with care.
- Report any malfunctioning equipment to coordinators immediately.
- Time limits apply during peak hours – please cooperate with coordinators.
- Management is not responsible for lost personal belongings.

PC & Console Gaming (PS5, PC)

- Do not attempt to install, modify, or tamper with system software.
- Consoles are provided – please use them to avoid disturbing others.
- No inappropriate or offensive content is allowed.
- Session length is set according to the number of players waiting.

VR Gaming Zone

- Follow coordinators instructions when wearing the headset.
- Remove sharp objects (glasses etc.) before playing if advised.
- Stay within the designated VR play area at all times.
- If you feel dizzy, uncomfortable, or motion sick – stop immediately.
- Players under 10 years old are not permitted in VR without guardian approval.
- Only one player in the VR zone at a time (unless multiplayer setup is supervised).
- Session length is set according to the number of players waiting.

Arcade Games

- Line up and wait for your turn patiently.
- Game duration may be limited if many players are waiting.

CLICK, CONNECT, AUTOMATE

General Rules

- The workshop is exclusively open to school students.
- All participants must carry a valid school ID card and complete the registration process prior to the commencement of the workshop.
- The number of seats is limited; registration will be accepted strictly on a first-come, first-served basis.
- All necessary materials and equipment will be provided by the organizers.
- The use of mobile phones or personal electronic devices during the workshop is strictly prohibited.
- Participants are required to follow all instructions provided by the workshop facilitators and staff.
- Any disruptive behaviour or non-compliance with the rules may result in immediate removal from the workshop.
- The decision of the organizers shall be final and binding in all matters.

Attendance

- Full attendance is mandatory in order to receive the participation certificate.
- Participants are expected to be punctual and attend all scheduled sessions without exception.

Workshop Sessions

- The workshop will focus on the fundamentals of automation and practical applications of connecting tools.
- Hands-on activities will be conducted to ensure an interactive and engaging learning experience.

Certification

- Certificates of participation will be awarded only to those participants who attend all sessions and actively engage in the workshop activities.

Cancellation

- In case a registered participant is unable to attend, the organizers must be informed at the earliest opportunity so that the seat may be allocated to another student.

(OPEN TO ALL)

CAPTURE THE FLAG

General Rules

- The event will be conducted in a single round.
- Each participant must carry their own college ID card and register before the event.
- A team can have a maximum of 3 members.
- Communication and discussion among team members are permitted and encouraged.
- Any form of plagiarism, malpractice, or discussion with others outside of their own team during the event will lead to immediate disqualification.
- The decision of the event coordinators/judges will be final and binding.

Capture the Flag Round

- After registration, each team will be provided with a unique username and password to log in to the event website.
- The event will be a series of challenges. Teams must work collaboratively to solve them.
- Challenges will include:
 - **Cryptology:** Decrypting encrypted messages and files.
 - **Website Forensics:** Finding clues hidden in website scripts, source code, and metadata.
 - And others
- A leaderboard will be displayed on the website to show the real-time scores of all teams.

Scoring & Winner Selection

- The final winner(s) will be decided based on the total number of points accumulated throughout the event.
- In case of a tie, the team that completed all challenges in a shorter duration will be given preference.
- Judges' decision will be final.

(OPEN TO ADISHANKARA STUDENTS ONLY)
