

RULES AND REGULATIONS

PRAYAG'25

GAMING TOURNAMENT

General Rules

- The tournament is open to 100 registered participants only.
- Players must check in 15 minutes before the event starts. Latecomers may be disqualified.
- Players must use their real name / gamer tag as registered.
- Respect & sportsmanship are mandatory—any form of cheating, toxic behavior, or harassment will lead to disqualification.

Game Setup

- Games will be conducted on event-provided systems/lobbies.
- Players are not allowed to use external mods, hacks, or unfair tools.
- Technical issues must be reported immediately to the organizers. Decisions made by referees are final.
- Allowed personal equipment: Players may bring their own headphones, mouse, or keyboard, but this is completely optional.
- It is perfectly fine if participants do not bring any equipment—the event systems are fully playable with the default setup provided.
- Organizers are not responsible for compatibility issues with personal equipment.

Fair Play & Conduct

- No toxic chat, teaming, or stream-sniping.
- Organizers reserve the right to disqualify players for misconduct.

- In case of disputes, the decision of the Tournament Referee Panel is final.

Technical & Time Rules

- Each round has a strict time limit (delays beyond 5 minutes → auto disqualification).
- If a game crashes/disconnects:
 - Round restarts only if the issue is on the organizer's side.
 - If it's the player's fault, they forfeit that round.
- No retries are allowed, except in the case of verified technical issues from organizers.

Participation & Venue Rules

- Once a player is eliminated, they are not allowed to remain in the tournament hall.
- Eliminated players should move to the Exhibition Area / Fun Zone provided.
- Players must follow the instructions of volunteers & organizers at all times.
